Since its inception in 2022, the STEM Quiz has emerged as a landmark programme. In 2024 alone, the Quiz witnessed over 10,12,500 student participants from every State and Union Territory, making it a truly PAN-India celebration of science, technology, engineering, and mathematics (STEM). The Quiz is open to students of Std IX to XII under the following two categories at the PAN-India level

The competition will be conducted in three stages
